The SM offensive line as QB Ralph Beachum awaits the snap

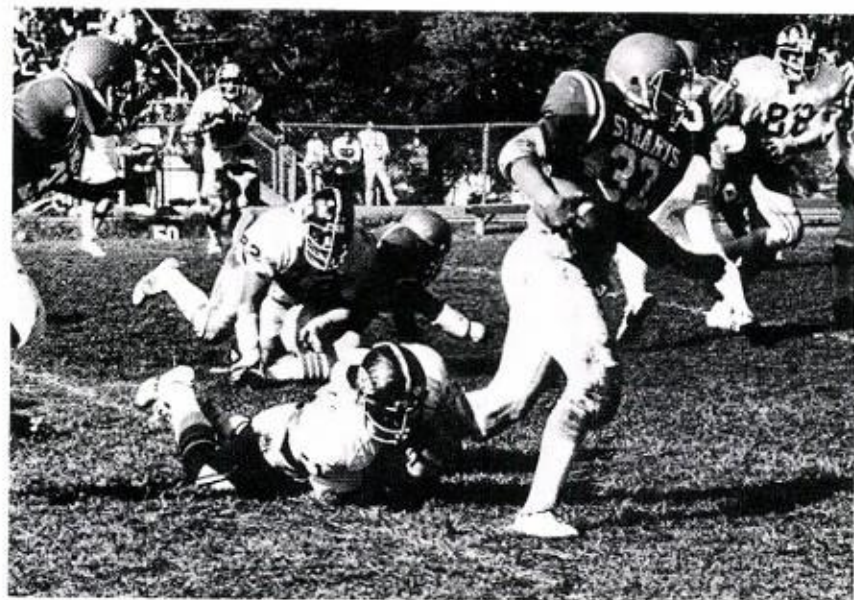

The Saint Mary's Panthers had a very tough season finishing with a 1-7-1 record. The Varsity team, however, was a spirited, together squad and played hard against every opponent. It was a season in which the breaks just didn't go Saint Mary's way. The Panthers were a small team in number and size but not in aggressiveness. A series of devastating injuries was the main reason for the Panthers' poor showing this year. Among those injured were key players Rich Bertero, Arch Zellick, Matt Tomas, Spike Ramirez, and Ernie Cash. The team did however place linebacker Aaron Goods and receiver Ahmad Anderson on the All-League team and Coach Al Isola was named coach of the year.

# Junior Varsity Football

De La Salle greets Saint Mary's captains Don Ward (27), and DiCarlos Thomas (89).

The Saint Mary's Junior Varsity had a tough season ending with a 4-4-1 record. Their record, however, does not do justice to their fine play. It was a season in which they lost a lot of games by a close margin.

Some of the key players for the Junior Varsity were Quarterback and Defensive back, Scott Pearse, linebacker David Kelly, flanker and defensive back, Don Ward, running back and defensive back, Ron Elliot, running back and linebacker, Kevin Cullen, defensive end and tight end, DiCarlos Thomas, split end, Paul Garrett, RB Eric Hodge, center and linebacker, Dennis Hebert, and defensive back, Kerry Lewis.

The Junior Varsity showed a lot of promise and we can expect to be hearing from them in the near future.

The 1977-78 version of the St. Mary's Varsity Basketball team was composed of Seniors Brad Barnes, Mike Tomas, Dave Brown, Don Cotter, and Ed Hines; Juniors Rickey Gibbs, Greg Washington, Keith Grate; and Sophomores Dwaine Presley, Bill Jones, and David James.

Faced with a tough season, the Panthers amassed a 10-17 record against some of the strongest teams that the C.A.L. has ever produced. The Panthers were in contention for a play-off berth, but were barely edged out by Moreau. The Panthers played well losing many heartbreaking games in close contests. This was a team of dedicated players that came together as the season developed. High point of the season was the naming of both Ed Hines and Dave Brown as Honorable Mentions to the Catholic Athletic League All-League Team.

Riordan can't stop the Panther attack

St. Mary's fielded a strong jayvee team in 1977-78. Though not particularly tall they were quick and regularly took advantage of their opponents' mistakes. Consistently outstanding was Tony Charles, a sophomore guard whose best game of the year featured a thirty point scoring effort. Another strong performer was Leroy Williams, a sophomore who played forward. The post position was filled alternately by Bill Jones and Elton Baptiste.

This year the Saint Mary's Freshman Basketball team had an outstanding season with a record of 18-1. Our young Panthers won the C.A.L. championship, averaging a whopping 69 points per game. The Panthers combined both height and speed, with strong fundamental play to overwhelm their toughest adversaries. We congratulate Coach Hugh Louderback and his outstanding Frosh team.

# DRAMA CLUB

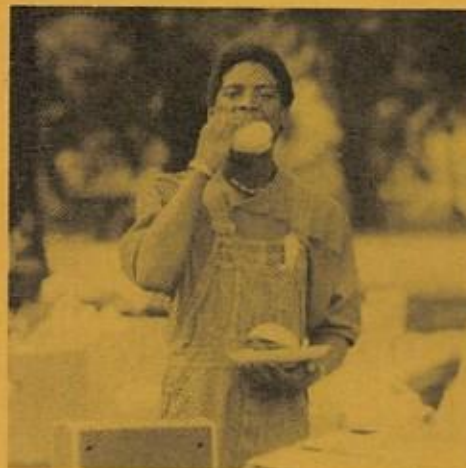

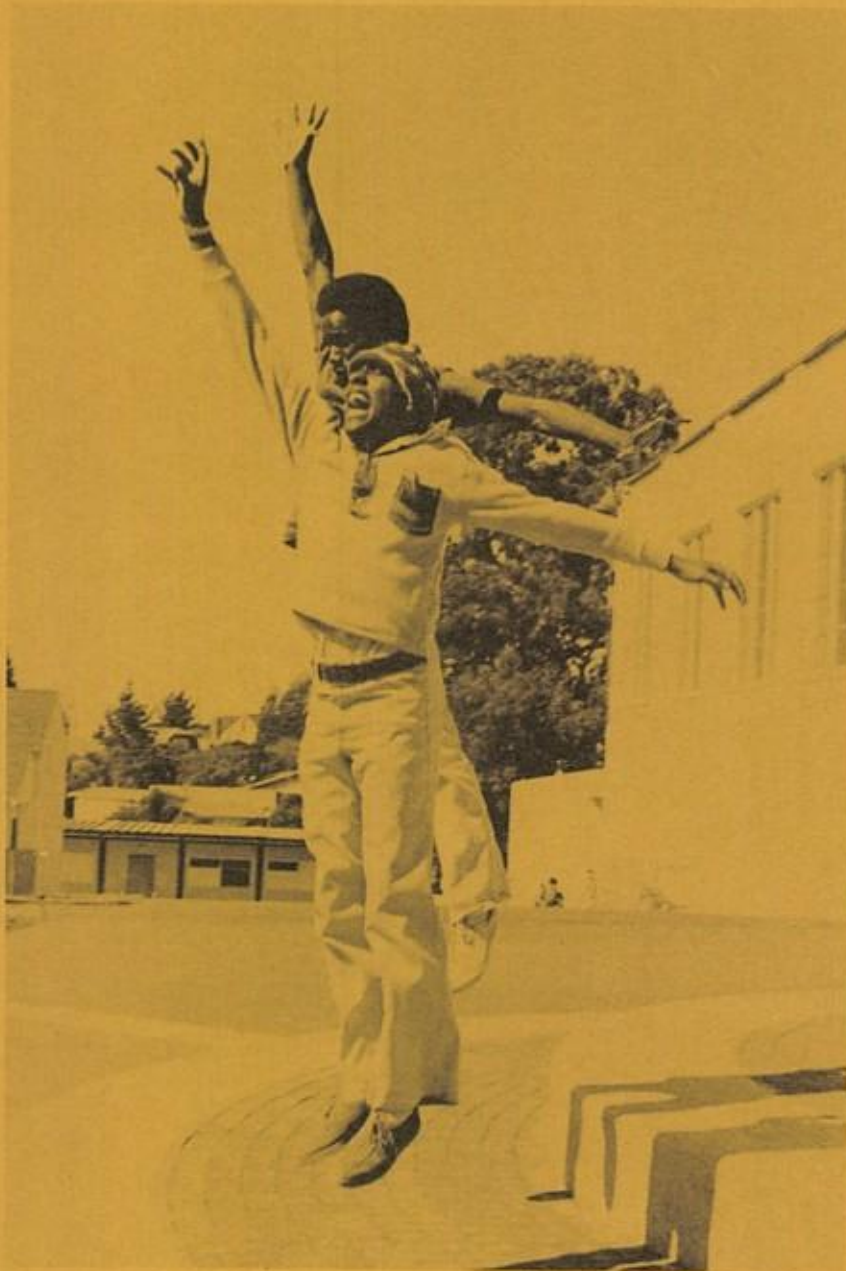

Under the guidance of Mr. Antone Olivier the St. Mary's Drama Club was revived in 1978. Under the name Revival Theater Ensemble the club presented two performances of "The Skin of Our Teeth" on the stage of King Jr. High. Featured in the cast and in these pictures were SM students Ed Thomas, Steve Witherspoon, Yuell Newsome and Miguel Marmolejo.

Pictured above are several members of this year's Black Student Union. As always the B.S.U. (and their moderators Mr. Harper and Mr. Olivier) were involved in both fundraising and purely recreational activities. They visited Great America, organized picnics, went five-on-five with KDIA's basketball team and, as at left, occasionally leaped tall buildings at a single bound.

After serving as Principal of St. Mary's for five years Br. Norman Cook has been transferred to the position of Director of Education for the West Coast Province of the Christian Brothers. His new duties will include supervision of all Brothers' schools in California and Oregon. During his tenure at Peralta Park interest in the Parent's and Athletic Association rose to new heights, new fund raising activities were developed and most of the construction pictured on the next page was begun and finished. We wish Br. Norman much success in his new position.

Throughout 1977-78 work continued on the SM Master Plan. A spacious cafeteria/student center was opened and it included two additional classrooms on its lower level. In mid-summer the Brothers moved into their new residence. As the landscaping is completed the campus will finally settle down after several years of excavating, hauling and building.

## THE S.M. BAND

Outstanding percussionist Greg Gonaway was one of several fine senior musicians

Guest soloist at this year's Spring Concert was George Alexander, Sr.

With more than 70 students involved the St. Mary's Band is qualitatively and quantitatively one of the most successful organizations on campus. Their Spring Concert, their performances at games and rallies and their assistance in the recruiting program are all excellent and a great credit to the school.

# INTRAMURALS

During the year a number of intramural athletic programs are available to all students. Each homeroom provides one team and competition is divided between upper and lower division classes. This year a senior basketball league was organized among several of the schools that are members of the Catholic Athletic League. Only varsity players were ineligible to participate and the level and quality of play was quite high.

Large buffet luncheons allowed for relaxation and socializing between sessions

As a part of their last year many seniors participate in the retreats that made available to SM students two or three times per semester. The opportunity to meet and talk with students from other schools in a non-campus setting attracts a large percentage of the senior class each year.

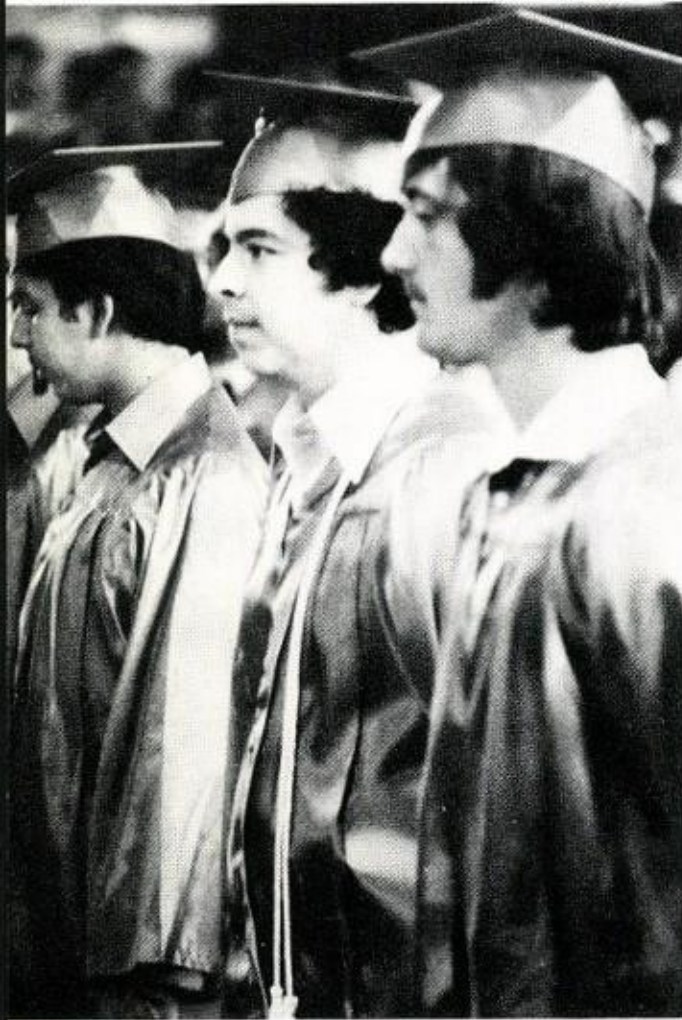

Retreatants came from both St. Mary's and Holy Names High Schools
